Order re Joint Motion to Stay Ruling

Joint Motion to Stay Ruling on the Dispositive Motion Pending in Tauro v. Convergent (MDL Doc. No. 100) is hereby GRANTED.

The court agrees that it is premature and would be inefficient to address at this time the issues raised in plaintiff Tauro's motion because the court would have to revisit them later when they are presented in the class and other cases comprising this MDL. In addition, deciding overlapping merits issues now would create the risk of rulings that are inconsistent with other cases in the MDL. Moreover, other cases

in this MDL could be prejudiced by a decision on a motion by Tauro, who is proceeding pro se, that is made on an incomplete record in his case.

It is so ordered.

Dated this 26th day of August 2015, at Hartford,
Connecticut.
