

Notice of Electronic Availability of Criminal Case File Documents

UNITED STATES DISTRICT COURT
DISTRICT OF CONNECTICUT

Rev. 10/01/2007

EFFECTIVE NOVEMBER 1, 2004, DOCUMENTS FILED IN CRIMINAL CASES IN THIS COURT WILL BE AVAILABLE TO THE PUBLIC ELECTRONICALLY.

Electronic access applies to documents filed on or after November 1, 2004, which would have been otherwise available in paper. Documents filed prior to November 1, 2004 continue to be available, as appropriate, in paper but will not be available electronically.

You shall not include sensitive information in any document filed with the court. You must remember that any personal information not otherwise protected will be made available over the internet via WebPACER. The following personal data identifiers must be partially redacted from the document whether it is filed in paper or electronically:

- 1) Social Security numbers to the last four digits;
- 2) Financial account numbers to the last four digits;
- 3) Names of minor children to the initials;
- 4) Dates of birth to the year; and
- 5) Home addresses to the city and state.

In compliance with the E-Government Act of 2002, a party wishing to file a document containing the personal data identifiers specified above may file an unredacted document under seal. This document shall be retained by the court as part of the record. The court may, however, also require the party to file a redacted copy for the public file.

Because filings will be remotely, electronically available and may contain information implicating not only privacy but also personal security concerns, exercise caution when filing a document that contains any of the following information and consider accompanying any such filing with a motion to seal. Until the court has ruled on any motion to seal, pursuant to Local Criminal Rule 57(b), no document that is the subject of a motion to seal, nor the motion itself or any response thereto, will be available electronically or in paper form.

- 1) any personal identifying number, such as driver's license number;
- 2) medical records, treatment and diagnosis;
- 3) employment history;
- 4) individual financial information;
- 5) proprietary or trade secret information;
- 6) information regarding an individual's cooperation with the government;
- 7) information regarding the victim of any criminal activity;
- 8) national security information; and
- 9) sensitive security information as described in 49 U.S.C. § 114(s).

All counsel are strongly urged to share this notice with all clients so that an informed decision about the inclusion of certain materials can be made. If a redacted document is filed, it is the sole responsibility of counsel and the parties to be sure that all documents and pleadings comply with the rules of this court requiring redaction of personal data identifiers.

The clerk will not review filings for redaction.
