

**UNITED STATES DISTRICT COURT
DISTRICT OF CONNECTICUT**

SEEKING VOLUNTEERS!

In addition to making other changes, the Court's new Local Rule 83.10 regarding appointments of pro bono counsel creates a new Volunteer Panel of attorneys. The Court will look first to the list of Volunteer Panel attorneys when making appointments for indigent litigants in civil cases. Especially for newer lawyers, this could be a great opportunity to get on your feet and speak in the courtroom. If you are interested in being a member of the District of Connecticut's Volunteer Panel, please send an email to the Clerk's office including your name, address, telephone number, District Court bar number, and email address. Please see the new rule for details.
