FINAL PRE-TRIAL ORDER

Counsel for the parties shall jointly submit, in one continuous document signed by all counsel, a final pretrial memorandum (in compliance with Local Rule 6 of Civil Procedures and the Standing Order Regarding Trial Memoranda in Civil Cases incorporated in the Local Rules of Civil Procedure and modified hereby). The original of this memorandum shall be filed with the Clerk of the Court, and two (2) copies shall be submitted to Chambers, by _____.

1. **TRIAL COUNSEL**: Counsel shall list the names, addresses and telephone numbers of the attorneys who will try the case. **Counsel trying the case must attend the pretrial conference, unless excused by the court.** Requests to be excused should be made no later than 72 hours before the conference.
2. **JURISDICTION**: Counsel shall set forth the basis for federal jurisdiction.
3. **JURY/NON-JURY**: Counsel shall state whether the case is to be tried to a jury or to the court.
4. **LENGTH OF TRIAL**: Counsel shall set forth a realistic estimate of trial days required, including an estimate of time for plaintiff's presentation (including cross-examination of its witnesses), and the defendant's presentation (including cross-examination of its witnesses).
5. **FURTHER PROCEEDINGS**: Counsel shall specify, with reasons, the necessity of any further proceedings prior to trial.
6. **NATURE OF CASE**: Counsel for each plaintiff or counter-claimant shall separately state the nature of each cause of action asserted by such party and the relief sought.

The parties shall set forth:

- (a) all parties and all claims alleged in the complaint, being sure to specify who asserts which claim(s) against whom.
- (b) the claims that will be pursued at trial. Identify all prior action in the case that has resulted in the dismissal or withdrawal of any claim(s) or party(ies). (E.g. May 1, 2010, Ruling on Motion for Summary Judgment: Count II (false arrest) dismissed, Count IV (municipal liability) dismissed and City defendant dismissed). If plaintiff intends not to pursue certain claims at trial, identify these claims as well.
- (c) the defenses that will be pursued at trial, specifically noting any special defenses and to which count they relate.
- (d) an agreed, brief joint statement of the case that may be read to the jury.

7. **LIST OF WITNESSES**: Counsel shall set forth the name and address of each witness to be called at trial, including a brief summary of the anticipated testimony. The list of witnesses should be divided into those witnesses the party will definitely call, and those witnesses it might call. Witnesses not included in this list -- except those used for unanticipated rebuttal or impeachment -- shall not be permitted to testify at trial, except for extraordinary good cause shown.

For each expert witness, a party shall file with the court, **at least five (5) days prior to the pretrial conference**, a biographical sketch and a statement of the area of the witness' expertise, each opinion to be expressed, a brief summary of the basis of each opinion, and a list of the materials on which the witness intends to rely. A copy of the Rule 26 disclosure for any expert expected to testify at trial shall be provided with the pretrial compliance.

8. **DEPOSITION TESTIMONY**: Counsel shall list each witness who is expected to testify by deposition at trial. Such list shall include designation by page references of the deposition transcript which each party proposes to read into evidence. Cross-designations shall be listed as provided by Fed. R. Civ. P. 32(a)(4). The lists shall include all objections to deposition designations. A marked-up version of the deposition transcript should also be submitted [blue for plaintiff(s); red for defendant(s)]. Any questions about this procedure should be directed, in a timely fashion, to the court's law clerk.

Counsel offering deposition testimony shall mark a copy of the deposition transcript to indicate the testimony to be offered. Opposing counsel, using a different color ink, shall mark any objections, with citation to the Fed. R. Evid., as

well as mark any further testimony opposing counsel wishes to offer; originating counsel shall then mark any objections to that cross-designated testimony. After submission, the court will permit amendment of the deposition lists only for good cause shown. At the time of trial, the Court will permit reading of testimony from a deposition only in the order in which it was taken.

9. **INTERROGATORIES/REQUESTS TO ADMIT.** Counsel shall list any interrogatories or requests to admit, and answers thereto, specifying the appropriate portions thereof that any party intends to offer at trial as evidence for purposes other than impeachment or cross-examination. Any objection to the introduction of any of the foregoing shall be filed with the court in writing, together with a citation of authorities in support of the specific ground of objection, **no later than three (3) days prior to the pretrial conference** or such objection shall be deemed to have been waived.
10. **EXHIBITS:** Attach a list of all exhibits, with a brief description of each, that each party will offer at trial in its case-in-chief. Exhibits not listed, except unanticipated rebuttal and unanticipated impeachment exhibits, will not be admissible at trial except for good cause shown. Plaintiff should number starting at "1"; defendant should number starting at a point above where plaintiff's numbers stop (e.g., "51" or "101" or "501" or "1001"). Counsel shall pre-mark all exhibits numerically with trial exhibit tags.

Copies of the actual exhibits shall be exchanged no later than seven (7) days prior to compliance with this Pretrial Order. On the day of the Pretrial Conference, September 17, 2013 counsel shall deliver to the Deputy Clerk the **original set** of exhibits and to **Judge Fitzsimmons's chambers two (2)** complete copies of the exhibits. **The original set of exhibits for the Deputy Clerk and the two (2) additional chambers copies shall be three hole punched, placed in a three ring binder, and organized with numerical tabs corresponding to the exhibit number.** To the extent possible, counsel are encouraged to use double sided copies of exhibits. **Failure to comply with this paragraph will result in the exclusion of exhibits not listed or exchanged, unless extreme prejudice would result.**

11. **ANTICIPATED EVIDENTIARY PROBLEMS:** Counsel shall attach to the pretrial compliance memorandum a list of any evidentiary problems anticipated by any party, together with memoranda of fact and law addressing the same.

Any objection to the admissibility of any exhibit, other than on the grounds of relevance, shall be noted in the pretrial compliance. Any memorandum

addressing exhibit evidentiary issues shall be filed with the court separately in conjunction with this final pretrial memorandum. Any objections not made in this manner, except objections as to relevance, may be deemed waived, absent a showing of excusable neglect or extreme prejudice.

12. **MOTIONS IN LIMINE/DAUBERT MOTIONS**: Counsel shall file separately, in conjunction with this final pretrial memorandum, all motions in limine (including motions concerning expert testimony) together with memoranda of authorities in support. A copy of any such motion shall be served on opposing counsel before the final pretrial memo is due. The memorandum in opposition to a motion in limine shall be filed and served on opposing counsel not later than five (5) days before the pretrial conference.

Any objections to expert testimony under Rule 701, 702 or 703 shall be made in a motion in limine, with a supporting memorandum. Failure to make such a motion will constitute a waiver of the objection.

13. **GLOSSARY**: If any party intends to present testimony or other evidence which will include medical or technical terms, the offering party shall file with the court, at least one (1) day prior to the pretrial conference, a glossary of such terms.
14. **JURY TRIAL**: Counsel for all parties shall confer in an effort to enter into a written stipulation of uncontroverted facts and into an agreed statement of the contested issues of fact and law, which stipulation and agreed statement will be set forth in the final pretrial memorandum. The stipulation of uncontroverted facts will be read to the jury, and no evidence shall be presented on the uncontested facts. If unable to stipulate to any facts, the parties shall so state. If unable to stipulate to an agreed statement of contested issues of fact and law, each party shall, to the extent there is not agreement, set forth its view of the contested issues of fact and law.
 - (a) **Proposed Voir Dire Questions**: Each counsel shall attach a list of questions it seeks to have asked of the jury panel.
 - (b) **Proposed Jury Instructions**: Counsel shall attach requests for jury instructions, with appropriate statutory and/or case citations. They are not required to submit general jury instructions which, for example, instruct the jury on its role, evidence in general, witness credibility, etc. In addition to filing an original copy with the Clerk of the Court, counsel shall provide Chambers with the proposed jury instructions in hard copy and in electronic Word format.
 - (c) **Proposed Jury Interrogatories**: Counsel shall attach a

proposed form of jury interrogatories, if appropriate in this case.

15. **Courtroom Technology**: Counsel shall specify in the Joint Trial Memorandum what, if any, technology they intend to use at trial.

All requests for courtroom technology must be received by the Clerk's Office at least **two weeks** prior to the scheduled trial. The form for such requests may be found at:
