

WHAT IS LAW DAY?

Law Day is held on May 1st every year to celebrate the role of law in our society and to cultivate a deeper understanding of the legal profession.

THIS YEAR'S THEME:

The Constitution's Promise: E Pluribus Unum – Out of Many, One

Our national motto, E Pluribus Unum, is the 2025 Law Day theme. It means: Out of many, one.

The Constitution enshrines our collective responsibility to one another. This year's theme urges us to take pride in the constitutional framework that brings us together as one citizenry. Through our commitment to the common good, the government supports our citizenry during national crises and natural disasters. Through community and advocacy programs, we help and support each other. Through legislative efforts, military service, jury duty, or by simply working together to improve our collective wellbeing, our civic lives tie us together every day to fulfill the promise of E Pluribus Unum.
