Introduction ---

The CJA eVoucher system is a web-based solution for submission, monitoring, and management of all Criminal Justice Act (CJA) functions. The eVoucher program allows for:

- Online authorization requests by attorneys for service providers.
- Online voucher completion by the service provider or by the attorney acting for the service provider.
- Online voucher review and submission by the attorney.
- Online submission to the court.

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers and associates. The program includes the following modules:

Panel Management ---

- Allows attorneys to manage their own account information including address, phone, firm associations, and applicable CLE credits
- Allows for submission of holding periods or a specific amount of time taken off for medical leave, vacation, etc.

Voucher and Authorization Request Submission ---

- Authorization requests by attorneys for expert services
- Requests by attorneys for interim payment
- Supporting document uploads to vouchers or authorization requests
- Reports for attorneys to take an active part in monitoring costs
- Automatic email notification to attorney of approval or rejection of vouchers and authorization requests

Browser Compatibility ---

- Windows: Chrome 62, Edge 16, Firefox 57, Internet Explorer 10.1 with Compatibility Mode, Internet Explorer 11
- Apple Macintosh: Safari 10.1

Court Appointment

When you make an appointment, the program automatically generates an email message to the appointed attorney. The email confirms the appointment and provides a link to the CJA eVoucher program.

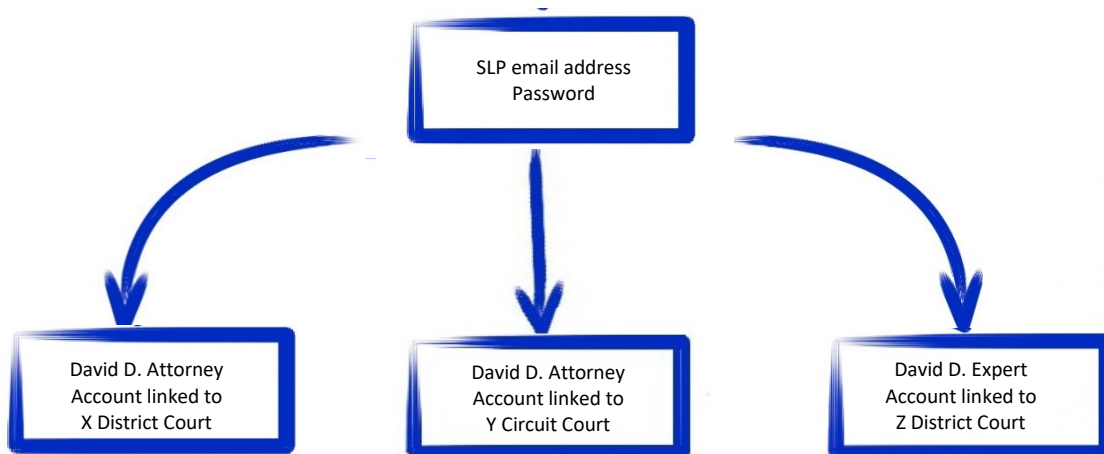

Some courts may send a proposed email to the attorney, awaiting acceptance of a specific case.

Accessing the CJA eVoucher Program

Prior to version 6.4, if you had eVoucher accounts in multiple courts, you were required to sign out and sign into each individual court account in which you wanted to work. You had a separate username and password assigned by each individual court. Starting with version 6.4, you can now create a Single Login Profile (SLP) with a single email address and password that can be linked to each eVoucher account you have. You can now switch from one eVoucher account to another from within the eVoucher application without the need to log off.

Note: Users with more than one eVoucher account must designate one account as the default account; the court used to create your Single Login Profile (SLP) automatically becomes your default court unless you change it.

Creating a Single Login Profile (SLP)

You only need to create your Single Login Profile (SLP) once, or whenever you need to relink your account to your default court. To create your Single Login Profile (SLP), visit the eVoucher site for the district or circuit in which you already have an eVoucher account.

Reports and Case Management

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours, and expert services by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear in the left review panel.
- Each panel, depending on the document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

To find other accessible reports, from the menu bar at the top of the screen, click **Reports**.

Defendant Detailed Budget Report

This report reflects the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

It provides the information in two sections: attorney appointment and authorized expert service.

Creating a CJA-21 Voucher

NOTE: All experts require prior approval of the court before the claim may be processed. The attorney is required to file a motion to incur expenses (AUTH) through the eVoucher system. Once approved, a CJA21 must be done, this allows payment for claims of the experts services. The expert provider must include documentation showing the dates of service, hours expended, rate charged and any allowable expenses. Any compensation, excluding expenses and mileage, over the threshold must go to the circuit for approval.

Step 1
